Explanatory memo showing the variations &c. in the District Fund Budget Estimate of the Shimoga Circle for the year 1900-1901

The closing balance for the year 1899-1900 viz 3405 which has been adopted as the opening balance for the year 1900-1 is arrived at in the following way:-

Receipts for 99-900 as per Govt. Pro No $\frac{11865-70}{L\ 751-98}$ dated 21st April 1899, are Rs — 85372-- .

Deduct Rs 5622, as per Govt Pro: No $\frac{5692-3}{L.751-98.}$ of 16th November 99 in excess of the actual receipts. Rs — 5622-- .

The net receipts are Rs — 79750-

Add Rs 28904 which is the actual balance on 1st July 99 as per Comptrollers account for 98-99 28904--

The total receipts for 99-900, are Rs 108654-

From this deduct Rs 105,249 the total expenditure for 99-900, as per revised budget submitted to Govt with this office No $\frac{768}{641}$ dated 5th March 1900 - Rs $\frac{106765}{105249}$

The balance is Rupees — $\frac{15\ 9}{3405}$

Thus the closing balance for 99-900 is shown to be Rs ~~3405~~ 1689, and the same has been adopted as the opening balance in the budget for the ensuing year.

Variations under receipts:-

The increase observable in the 76 per cent of local cess, creditable to District Funds in the budget for 1900-1901 is mainly due to the increase of Land Revenue and Inams, as per Jamabandi account for 98-99.

The other items are of a fluctuating character, and are estimated on the actuals for 98-99.

The total receipts including the opening balance on 1st July 1900 aggregate to Rs ~~91979~~ 90463.

Variations under expenditure:-

6. Civil charges: Sweepers & care takers for 3rd class Travellers Bungalows and Musafurkhanas

The increase under this head is owing to the provision of a sweeper to the Musafurkhana at Hosur in the Shikaripur Taluk, and another to the Musafurkhana at Agumbe in the Tirthahalli Taluk.

X Miscellaneous:-

(7) Stationery charges:- A sum of Rs 100/- has been provided under this head to meet the District Fund quota of the charge of the Stationery articles supplied to the Local Fund Department.

(8) Other items:- The increase under this item is due to the cost of furniture to be supplied to 3rd class Travellers Bungalows in the District

IX Contribution:- The increase under this head is owing to a balance of contribution due to the Dispensaries at Chennagiri Honnali &c.

The total expenditure amounts to Rs 77867 90463 Deducting this from the total receipts viz Rs 91,979 12596 (Vide preceding page), a closing balance of Rs 14,112 is left. In spite of reductions in many items, it has not been possible to maintain a higher balance

6. *III. Hospitals and Dispensaries.*—The modifications proposed under this head involving a net decrease of Rs. 80 are given below. The variations under compounders is due to the increments to their salaries earned by certain compounders under Government Proceedings No. 13250-1—Mis. 1962, dated 8th June 1896, or to the employment of others drawing less pay. The decrease under "Branch Dispensary" is due to the dispensary having been closed and the consequent omission of provision of Rs. 288 sanctioned for 1899-1900 and the increase under "Furniture" to provision made in the present budget for the purchase of furniture for the several Local Fund dispensaries. The provision is approved.
